## ARBITRATION AND LITIGATION SUPPORT

As well as Expert Witness appointments, Driver provides support to those involved in any construction dispute being considered for resolution within formal proceedings. Our services are particularly requested due to the technical issues being dealt with via the legal process.

## ALTERNATIVE DISPUTE RESOLUTION

Increasingly, parties to construction disputes are looking to alternative methods of Dispute Resolution. Driver has considerable experience in the following processes:

- Mediation
- Conciliation
- Dispute Adjudication Boards
- Dispute Review Boards
- Expert Determination
